SalzperleNatur

Straight feed (NaCl) for cattle, horses, sheep, goats, and game

Product features:
- Straight feed (NaCl)
- High-quality rock or natural salt
- Use in accordance to the regulation (EU) 2018/848 and (EU) 2021/1165 is possible in organic farming.
- High purity (38.5% Na)
- Coarse grain

Application recommendation:
Supplement to the feed ration in the trough for cattle, horses, sheep, goats, and game.

Note:
Rock or natural salt is pure sodium chloride, mixed with salt clay, gypsum, anhydrite, and other salt minerals.
Salt clay is a natural admixture of the salt. It contains various minerals and is characteristic of the product's natural state. Salt clay gives the product SalzperleNatur its typical gray marbled appearance.

This product can be used for organic production acc. regulation (EU) 2018/848 and (EU) 2021/1165. It contains:
· 0,0 % (dry matter) of feed materials from the organic production method
· 0,0 % (dry matter) of feed materials from the organic production method
· 100,0 % (dry matter) of feed materials not covered by mentioned points
· 0,0 % (dry matter) of animal feed of agricultural origin.
Produces according to the regulations of Bioland e.V.
Controlled by DE-ÖKO-006-control site

Composition:
sodium chloride

Analytical constituents:
38,5 % sodium

Note: Minimum shelf life requires a correct and appropriate storage. In particular a hygienic, cool and dry storage is needed. Without responsibility in case of incorrect storage and application.
